

Dear Parents,

Dear Parents,

Many thanks to all the parents who came to support and take part in this year's Sports Day. It was so nice to see all the children and adults enjoying themselves throughout the day. It was really pleasing to see how well so many of our children helped, supported and encouraged one another throughout the day. Well done to all of the children who took part.

Thank you to all the parents who helped support the preparations for the day. A lot of time goes into organising events like these and they wouldn't be as successful if it wasn't for all the volunteers. A special thanks must go to Mr. Robinson who has been in early and home late in order to get ready for today. As you may or may not know, this has been Mr. Robinson's final Sports day at Kempford. After three years with us, Mr. Robinson is leaving over the summer to begin a full time coaching degree September.

From September 2018, Mrs Ballard will be heading up the After School Sports Clubs and the Sports coaching in school. Mrs Ballard has already begun working alongside Mr. Robinson in preparation for beginning her new roles in September.

Yours sincerely

Mr Mendum
