

# The Hive

### THIS WEEK

#### OUR RISE WINNERS THIS WEEK

**Respect** – Zachary Simms – for being a good friend to others

**Improve** – Daisy Marshall – trying really hard to write her curly caterpillar letters

**Succeed** - Maxi Ballard – for successfully sharing his knowledge of dinosaurs with the class

**Excel** - Mereoni Rasovo - for super independent reading of new words

Well done to all our RISE winners and for those children who gained a star this week.

#### THIS WEEK'S BUSY LEARNING

- Learning new letter sounds through Phonics Bug (o, c and k)
- To compare and order Numicon shapes by size
- To describe the positions of ordered Numicon shapes in relation to each other
- To compare and order 3 or more objects by size, including height
- Welly walk with Mrs Jeffrey
- PE with Mrs Ballard
- Outdoor learning (Using our senses)
- RE – What do we think is wonderful in our world?
- Naming and identifying different dinosaurs and talking about the different shapes, colours and sizes of dinosaurs
- Making salt dough dinosaur prints

#### Coffee and Cake

Many thanks once again for all the support given to our coffee and cake afternoon last Friday. We raised £120! This money will be spent on resources for the children in school.

#### Welly Walk Wednesday

Thank you to all the parents who helped with our welly walk this week. The children enjoyed exploring the local area. We looked for the different signs of Autumn and had a visit to the church. Look out for the next welly walk date. We always welcome parent helpers!

### NEXT WEEK

#### School Photographer

The school photographer will be in Monday morning. If you would like your child to have a photo with a pre-school sibling please come to the hall from 8.30am. Children with older siblings can also have a group photo as well as an individual photo during the morning.

#### Library Session

Next week the children will have their first library session. This will take place on Wednesday after PE. The children will have to opportunity to visit the library and look at and read new books. They will also be able to take a book out to share with you at home. The library service is now computerised and their books will be scanned so we have a record of the books each child takes home. Please ensure your child returns their book each Wednesday for a new one.

#### Helping at home

Please continue to practise the sounds the children have already learnt. These are updated in their sound books each week. Sharing your child's reading book regularly also provides an opportunity for sound spotting and small word blending (is, in, at).
