Helping at Home

The children are going to be looking at 3-D shapes next week. Please could you bring in any boxes or containers that could be used to make 3-D models.

The children have been thinking about what they might want to do when they grow up. Please see a Hive member of staff if you are able to come into school to talk to the children about your jobs. The children love having visitors in school so any time spared would be really appreciated.

THIS WEEK

Perseverance Day

The children experienced a brilliant day on Monday. A variety of activities were arranged around our value of perseverance. Miss Stone set the children physical challenges that required perseverance. Miss Allanach shared a story about persevering, *How to Catch a Star* by Oliver Jeffers. Mrs McLaughlin talked about setting goals and Mrs McKenna looked at some poems about perseverance. The children enjoyed the day and could reflect well on our new value.

NEXT WEEK

Welly Walk – Wednesday 23rd January

Please join us for a welly walk around Kempford. Following some of the discussions in class we have decided to go on a litter pick around Kempford. The children have been talking about caring for their environment and working together to achieve a goal. There will be a sign-up sheet outside the classroom if you can join us.
