Helping at Home

We have sent home some addition and subtraction challenges. Please support your children at home and send in any completed work that we can celebrate in school.

THIS WEEK

Welly Walk

We had a fantastic welly walk on Wednesday morning around the village. The children showed immense amounts of care and compassion by litter picking through the village. We collected 3 shopping bags full of rubbish. The children were very proud of themselves but also quite surprised at the amount of rubbish collected. We have reported our findings to Mr Mendum and suggested that the rest of the school consider how they could care for their local area.

NEXT WEEK

Vet visit – Mrs Tyson

Mrs Tyson (Freya's Mum) has kindly volunteered to come in to school on Tuesday afternoon to talk to the children about her job as a vet. She will be bringing in a veterinary nurse and also a dog!

Walk to the post box

We are thinking about different jobs that people do. We have been learning about postmen and women and the journey of a letter. As part of their writing the children will be writing a letter home so please look out for a surprise in the post!
