

Class 2 Homework

Next term, our school topic is Flights of Fancy which will link a lot into our trip to RIAT in July.

In class, we are going to be focusing on the local area around Kempston.

Your homework is to bring in something to talk about to do with the local area.

This could include:

- Your favourite place to visit
- Information about what your parents do as a job
- Photographs of the local area
- Activities you get up to in the local area.

I look forward to seeing and hearing about what you have produced/found out.

Have a lovely half term,

Miss Stone
