- SSM – recognise, create and extend a 3 step pattern, name basic 2D shapes
- Book Hook – Mog and the Vee Eee Tee
- Outdoor learning
- PE – Gymnastics
- RE – Talk about the Bible as a sacred text for Christians and read the Calming of the Storm

Helping at Home

Our early morning task this term is number formation. Please can you help your child at home to correctly form their numbers. Please bring in any work they have done, as we love to celebrate their achievements with the class.

THIS WEEK

Forest School Trip

We had a very enjoyable visit in the forest this week. The children worked independently at getting themselves ready with their outdoor learning clothes. At Forest School we explored the woods, found animal homes for rabbits and badgers and enjoyed using the microscopes to look at nature more closely. We also found many mini beasts hanging up in the trees. We are looking forward to our next visit just before Easter. Thank you to Mrs Di-Lella who accompanied us on our visit.

Vet Visit – Mrs Tyson

We had a special visit from a vet this week to talk about how she looks after animals. Mrs Tyson brought her poorly dog in and explained the different ways she could make him better. The children had a go at applying bandages to themselves and each other and had a turn using the stethoscope. They also looked at x-rays of animals that were poorly. The children also completed a colouring completion entry to win a prize, which will be judged by the vets in a couple of weeks.

ON MONDAY, PLEASE COULD YOUR CHILD BRING IN A PHOTO OF THEIR PET OR (if they do not have a pet) A PICTURE OF A PET THEY WOULD LIKE TO HAVE.

Nurse visit – Mrs Deakin

Mrs Deakin came to visit the children on Friday to talk about what it is like to be a nurse. We learnt about the equipment nurses use in hospital and even set up our own teddy hospital! The children had a fantastic time, many thanks to Mrs Deakin.

Next Week's dates for your diary
