VF
HW/Ext

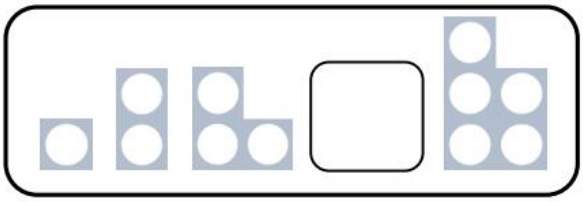
3. Jessie wants to complete the number sequences.

The missing number for both sequences is 4.

1, 2, 3, ☐, 5



Is she correct? Explain how you know.

D

RPS
HW/Ext

Please don't feel you have to print these, you can draw or just write out the steps in your home learning book. 😊

Counting Forwards

4. Use the correct number cards to complete the number sequence.

				
4	five		7	

eight | 6 | 5 | ten

VF
HW/Ext

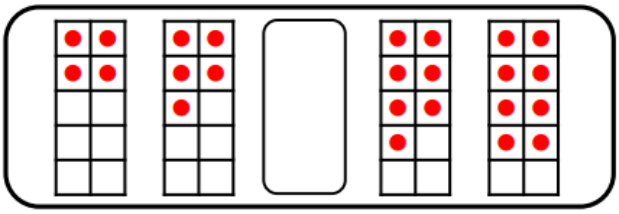
5. Fill in the missing numbers to complete the path through the maze.

Start → 1 | | 5 | 6 | 2
7 | 3 | 4 | 7 | 5
2 | 4 | 8 | 1 | 8
9 | | 6 | 9 | 1
3 | 0 | 7 | | 9 → Finish

VF
HW/Ext

6. Alex wants to complete the number sequences.

The missing number for both sequences is 7.



four, five, six, ☐, eight

Is he correct? Explain how you know.

Counting Forwards

7. Use the correct number cards to complete the number sequence.

					
	four	five			8

nine	6
seven	3

VF
HW/Ext

8. Fill in the missing numbers to complete the path through the maze.

Start →

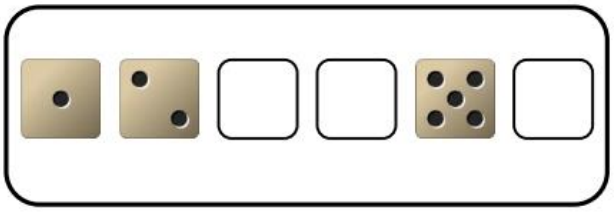
1	2	9	0	8	2
4	3	4	5	7	9
10	1		3	1	6
0	4	6			9
7	3	8	9	6	2
2	8	1	4	5	10

→ Finish

VF
HW/Ext

9. Zara wants to complete the number sequences.

Seven is one of the missing numbers in each sequence.



1, 2, 3, ☐, ☐, 6, ☐

Is she correct? Explain how you know.

RPS
HW/Ext

Counting Backwards

1. True or false? Each number track is missing the number 2.

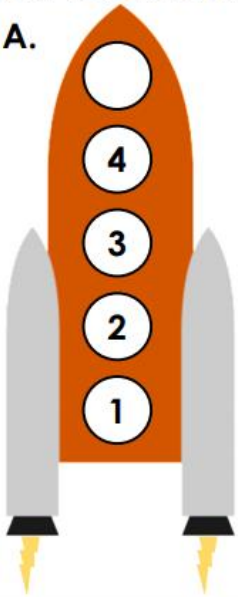
			
3		1	0
			

D

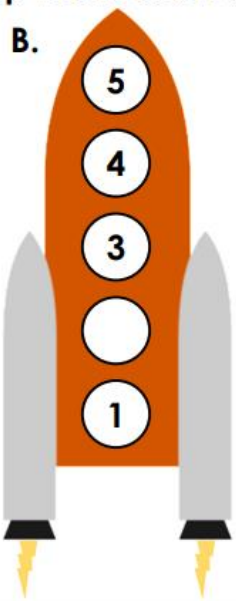
VF
HW/Ext

2. Count backwards to help the rockets blast off.

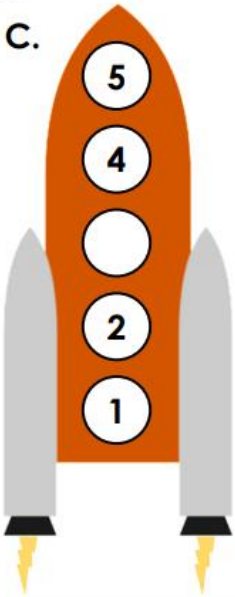
A.



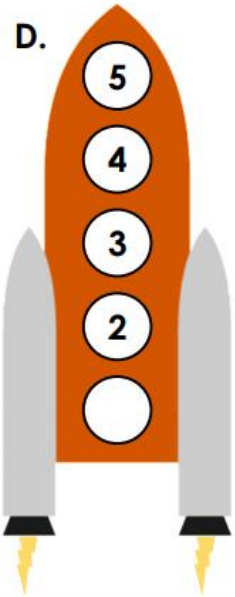
B.



C.



D.



D

VF
HW/Ext

3. Sal and Morgan are counting backwards from 5 using Numicon.

Sal

will come next.

will come next.

Morgan

Who is correct? Explain how you know.

D

RPS
HW/Ext

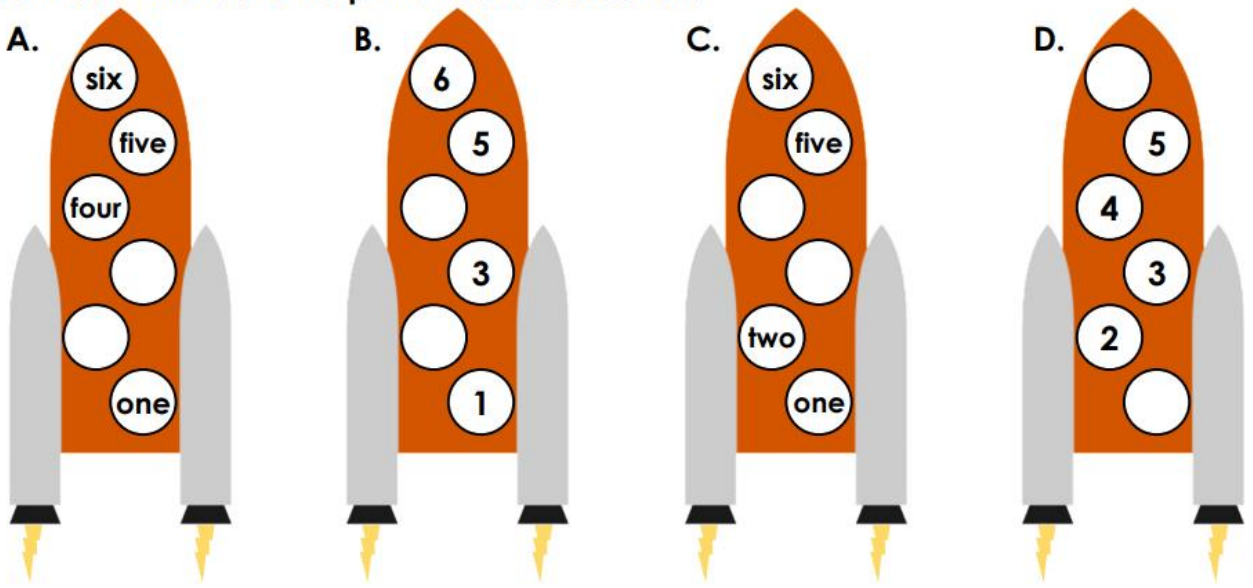
Counting Backwards

4. True or false? Each number track is missing the number 6.

9	8	7	6		4	3
						
	five	four	three	two	one	zero

VF
HW/Ext

5. Count backwards to help the rockets blast off.



VF
HW/Ext

6. June and Dan are counting backwards from 10.

June

The next number is 9.

The next number is eight.

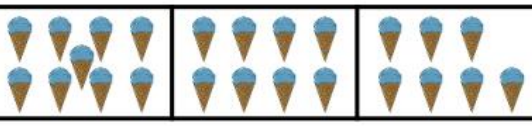
Dan

Who is correct? Explain how you know.

RPS
HW/Ext

Counting Backwards

7. True or false? Two of the missing numbers on each number track must be five and four.

	six			three	two	
						


6			3			0
