

Celebration Assembly

Well done to all the children for a great first week back in school. They have all worked hard and had an amazing week!

This week our certificates go to...

Respect – Maya Turner – for super listening and showing respect to her teachers and friends.

Success – Noah Ward for successfully using his phonics to write a super sentence.

Excel – Ted Curtis for great speaking during circle time. Ted was confident to talk about what makes a good friend.

Active Annie – Amelia Partridge made an amazing domino challenge. 'I enjoy achieving what I set out to do'.

Our busy learning this week:

- Early morning task – reading captions, alphabet writing and tricky word writing
- Phonics – oi ear air
- Maths – identifying 1 less up to 10 then 20
- Book Hook – learning about fire fighters and designing a new fire engine
- PSED - Circle Time – friendships and listening skills
- Prayer Space activities – reflecting on how we felt during lockdown
- Making Mother's Day cards

THIS WEEK

Wellbeing circle times

This week we have been talking about what a makes a good friend and showing good listening skills. Mrs Jeffrey joined us for circle time and played a sorting game to show which behaviours makes a good friend and which behaviours make our friends sad. The children were all really engaged this week and could about the importance of friendship.

PE

The children engaged in some team building skills on Tuesday afternoon, as well as some gymnastics in the hall. It was also the first after school multi-sports club, which the children thoroughly enjoyed. Please sign up if you would like your child to attend.

Helping at Home

We have sent some new reading books home this week which the children enjoyed choosing. Please ensure your child's reading record and reading books are in school on Mondays and Thursdays so we can change them.

Next week will be out last week of Phase 3 phonics. We will then assess the children on the sounds they have learnt and will feed this back to you. The children will have a new Phase 3 phonics book with all of the new sounds in at the end of next week. The highlighted sounds in the book will be the sounds they will need to practise.
