THIS WEEK

Prayer Space

Our focus for Prayer Space this week has been 'All Things Bright and Beautiful'. The 'Open the Book' team put together some exciting creative learning and activities based around this theme. The children made collage pictures of beautiful things, discussed different birds and how we can look after them and learnt why bees and butterflies are important to our environment. The children really loved all the different activities and have created some lovely artwork.

Christmas play

The children are beginning to learn the songs for our Christmas nativity play called 'Born in a Barn' with Kaleidoscope class. They are really enjoying the songs and singing with their friends. Once the characters have been allocated we will let you as soon as possible.

Parents Meeting

We hope you found this weeks parents meetings informative and we were able to answer any questions or queries you had. It was nice to see you in person and talk about how your child has settled into The Hive. If you were unable to attend this week and would like an appointment, please come and see us.

Dates for next week

Anti-bullying week—afternoon activities

Monday 15th November—Odd socks Day—please wear odd socks to school

Friday 19th November—Children In Need— non school uniform/Pudsey clothes—donations

HELPING AT HOME

We change reading books every Monday and Thursday. Please bring your child's book to school on these days if you would like their books changed.

As we are coming into the colder weather please could you encourage your child to have a go at putting on their own coats and hats. Also learning to do a zipper would be a great help.
