THIS WEEK

Children's Mental Health Week

This week we have been engaging in activities to raise awareness of children's mental health. We read the story of the Hungry Caterpillar and talked about how we have grown and all the different things we can now do. We designed our own butterflies to reflect this. We also made a colourful star to think about reaching for our goals and finally a support balloon to thank people who support us daily.

Buttons in the Jar

The children have been working so hard collecting buttons that they have filled our treat jar. This afternoon the children enjoyed a movie and popcorn. Well done everyone!

Dates for next week

HELPING AT HOME
