THIS WEEK

Valentines Day

We talked about the meaning of valentine's day and how we can show others we care about them. The children enjoyed making their valentines day cards and their flower drawings and collage flowers were great. The children also liked making their little parcel containing their chocolate love bugs. We hope you liked receiving their cards.

Winter Olympics

The children had a very energetic PE session this week and learnt all about the Winter Olympics and the different sports they do. The children started with their warm up by figure skating around the hall. They also enjoyed engaging in Curling, Snowboard jumping, Iceberg challenge and the Skeleton.

Note to Parents

Sometimes we are unable to see all the parents at the end of the day so we have made a 'Note to parents' slip, that we may give you to strengthen our communication between teachers and parents.

Spare clothes

If you have borrowed any of our spare clothes please can you return them as soon as possible as our stock is getting low. Thank you.

We hope you have an enjoyable half term and we will see you on Monday 28th February to start Term 4.

HELPING AT HOME

We have now learnt all the sounds in Phase 3. Please continue to help your child learn these sounds at home using their sound books over half term and their Phase 3 sound mat.
