THIS WEEK

Forest Church

Rev Kim came for another visit this week. She talked to us about the different birds we can see in our gardens and local areas. The children then collected natural materials to build a nest for a bird and talked about what materials birds use. We look forward to Kim's next session where we will be making bird feeders.

Book Hook

This week we introduced the children to our Book Hook story 'Handa's Hen'. We talked about our favourite animals from the story and then learnt about African music and dancing. We also made our own African masks.

Please ensure your child has a water bottle in school everyday. The weather is getting warmer and we encourage the children to make sure they drink plenty of water throughout the day.

Please try to apply sun cream before your child comes to school as we cannot apply it to your child during the day. If they are able to apply it themselves please leave it in their bag.
