Together, we will RISE

CELEBRATION ASSEMBLY

Each Friday we will be celebrating all our achievements in our school assembly and awarding certificates. Well done to all the children who received a RISE sticker this week.

THIS WEEK OUR CERTIFICATES GO TO...

Oliver D Showing great respect towards his teachers

James T Great balancing and jumping during PE session

Learning skills— Archie J E—counting and number recognition

THIS WEEK

Book Hook

This week we have been making our own family trees and talking about who is in our family. We painted different types of trees to reflect the different seasons and then added our family photographs to them. We discussed the order of the people born in our families and placed them on our trees to show this. We also made some lovely bear biscuits using our 3 bear cutters. The children were good at weighing out the ingredients, mixing and rolling the dough. They were delicious! Next week we will be thinking about different types of bears and where they live such as polar bears, black bears or panda bears. ***If you have any different types of soft toy bears please bring them to school on Monday.***

OUR BUSY LEARNING THIS WEEK

- Book Hook activities
- Reception—Phase 2 phonics—p i n m
- Pre-school phonics—listening walk, making environment sounds using beaters and teddy bear lost game.
- Reception maths—counting in order, 1:1 correspondence when counting, objects, subitising up to 3, represent quantities using fingers
