

Important information regarding the future of Kempford Brownies

Kempford Brownies urgently needs a volunteer to take over and run the unit as it is with regret that I am unable to continue running Kempford brownies after the end of the term in December 2022.

This has been a really difficult decision for me to make, but my role at Kempford was only supposed to be an interim one and I have found myself still running it nearly 5 years later. I also run Quenington Brownies and am the local Division Commissioner and on top of a full-time job, I have found that I'm spreading myself too thin.

I'm actively looking for a replacement to take over, but if no one can be found, regrettably the unit will have to close.

Full training would be given for this fulfilling role and Girlguiding is a wonderful organisation to be involved with, offering friendships and so many opportunities to develop your personal and professional skills. Girlguiding offers a vast array of E-learning and face-to-face training from Safe Space and First Aid to writing Risk Assessments and learning new games.

I've been involved with Girlguiding since I was 18 which is quite a number of years now, and I've enjoyed every minute of it. It has given me confidence with so many things and to see the girls enjoying themselves and coming every week to my meetings is enough accolade.

Please do get in touch if you would like you would like more information on running a brownie unit.

Many thanks
