School Newsletter

23rd September 2022

Dear parents and carers,

Together, we will RISE

As we finish week 3, many children in all the classes are showing a fantastic work ethic and are showing many of the skills and values that we are wanting all of our school community to work towards. There has been such a variation in RISE awards since the summer break, all of which have been well deserved.

You will have received a separate email from the school office, informing everybody of our current communication issues. Please do take a moment to read this email.

As you all know, we are pleased to be able to welcome parents back into school for events, volunteering and reading with students. If you have any thing to celebrate with the school, or you have any form of concern about any aspect of school, please do pop into the office or arrange a time for a meeting. We are working hard at improving our school communications. To help the school with this, if you have any suggestions that you feel would be of benefit to us all, stop by the school office.

Again, well done to all our RISE winners so far. Have a great weekend.

Your faithfully

Mr Mendum
