

## CLASS 1 HOME LEARNING PICK'N'MIX TERM 3

In the grid below are 6 different activities that you can choose from! The more activities you do, the better for your learning and the more points you will receive. Please bring in any completed activities every **Friday**.

Choose a member of your family to interview and write a biography about them and their life.  <b>2 points</b>	Play the time memory game with an adult. Get the resource from Miss Allanach.  <b>1 point</b>	Make a diary for a week of all the things that you do during the day and include the times.  <b>3 points</b>
If you could travel back in time where would you go? Draw a picture to show and write sentences to describe it.  <b>3 points</b>	Research the Scientist Elizabeth Garrett Anderson and make a poster about them and what they discovered.  <b>2 points</b>	Do a drawing or a painting in the style of one of the artists you have learnt about.  <b>1 point</b>

I look forward to seeing what you choose and hope you have fun doing these activities with your parents or guardians!
