

# Class 2

## The Stone Age

### PE

This term, Class 2 will be looking at Gymnastics and starting to think carefully about body movements with agility, balance and co-ordination.

### Literacy

The genres we will be looking at this term are Information Texts and Narratives.

We will be linking The Stone Age with both genres and focusing on a variety of grammar skills that will develop the children's writing.

### Science

This term we will be focusing on rocks, fossils and soil which links well into our Stone Age topic. We will be linking this with our Guided Reading by looking at the work of Mary Anning.

### RE and Values

This term, we are looking at Hinduism and focusing on what it means to be a Hindu in Britain today.

Our value this term is:  
Perseverance

### Topic

Our Topic this term is: The Stone Age  
Class 2 will be looking at how the first settlers in Britain lived and what they did differently to us. We will be looking closely at cave paintings as well as how they hunted for their food.

### Maths

**Number** - Multiplication and Division

**Measure** - Exploring Time

**Assessment**
