

Term 5-Trust (and Pirates!!)

W/C 4th May (Star Wars day!!)

Welcome to week 3!

I've been having lots of fun trying to find your treasure on your islands. Thank you so much to those who have shared them with me.

In the newsletter this week, you may have read about Oak National Academy. I have attached the links here for the year groups. As with all of the work I have set, please just complete what you can. These are just extra resources which may be a break from the usual!

Year 6:

Here is this week's suggested work:

Literacy: Treasure Island

Reading: Read Chapter 3 only (please do not read ahead as we may get to read together later this term, or during our catch ups)

Writing: I would like you to create an advertisement for hiring a pirate crew.

Task 1: Decide what sort of crew you would like (honest and kind, or mean and nasty!) And then have a research on the internet of what job adverts look like.

Task 2: Plan your advert, trying to use paragraphs to guide your ideas.

A suggested structure could be:

P1: What the job is

P2: What qualities/skills you would like from a crew member

P3: How to apply

Also, do not forget to use persuasive features:

- Alliteration
- Repetition
- Facts
- Opinion
- Rhetorical questions
- A range of sentences
- Relative clauses

Task 3: Write your advert

Task 4: Purple (or whatever colour you have!) pen your work.

Task 5: Email me a photograph of your advert and I may well apply for the position!!

Spelling: Please pick 5 activities (one each day) from the pick and mix chart:

<p>Handwriting Practice</p> <p>Write out each spelling word three times</p>	<p>Rainbow Write</p> <p>Write out each word but using a different colour for each letter</p>	<p>Foil Writing</p> <p>Using some silver foil (not too much). Twist it into strips and then use that to create the letters to spell of your words</p>	<p>Treasure hunt</p> <p>Search around you house and find items that start with each letter of your words</p>
<p>Puddle Writing</p> <p>Using some A4 paper, create some lovely big puddles-you may want to colour them in blue too. Write a spelling word onto each puddle and then take turns to say a word and then (with wellies on and an umbrella in hand) jump onto the puddle with the word on it.</p>	<p>Noughts and Crosses</p> <p>Select two of your words, draw out a noughts and crosses grid and play noughts and crosses by writing the words in the boxes! Try and play with all of the words and see who is the champion of the Whitlam household!!</p>	<p>Drawing</p> <p>Draw a picture of each word and write the word next to it. It could be the word itself, or it could be the word in a sentence.</p>	<p>Word search</p> <p>Create a word search out of you spelling words.</p>

Maths:

Have a go at the practical Maths worksheet (it is the same for both year groups)

Geography:

I have placed another PowerPoint for you to look at on the website. Please work through that and then complete the worksheets-you can choose which star level you wish to complete.

Design Technology:

This week, I would like to you have a go at making toilet roll palm trees. Follow the link below for a video of how to make them. If you do not have any pipe cleaners, a bendy drinking straw or rolled up paper into tubes will work just as well.

Music:

It's time for a new sea shanty-enjoy!

Spanish:

This week, we will be learning animals. Check out this clip to help you:

You could even create a poster of some animals and their names next to them.

R.E:

Mrs McLaughlin has put some RE work on the website this week-please have a go at her task.

Don't forget, I will be reading the Story before lunch every day at 12.00pm. Our new story is the BFG.

Also, Year 5 catch up at 1.00pm on Friday and Year 6 at 2.00pm.
