

Number Resources

www.nrich.maths.org

This is a fantastic site with some great games that encourage problem solving and mathematical investigation. Click on the Early Years tab at the top of the homepage, then in the Early Years Curriculum box click on the link Early Years Activities. You will then have options for number, shape and space, and measure.

www.topmarks.co.uk

There are lots of games that the children have played on this website. Here are a few to try:

Number recognition and counting: Teddy Numbers, Helicopter Rescue, Caterpillar Ordering, Underwater Counting, Apple Picking, Dive For The Treasure

Addition and subtraction: Blast Off, Counting On In Ones, Helicopter Rescue, Ladybird Spots

www.twinkl.co.uk

There are lots of resources on Twinkl but the site can be a bit overwhelming. Always make sure you search for EYFS resources. Twinkl have produced school closure packs which include a range of maths activities. Another few to try are:

Number Formation Tracing Strips 1-20

Superhero Missing Number 1-20

Dot to Dot 1-20

Snakes and Ladders 1-20
