

## Phonics Resources

Please find below some links to different phonic resources to help your child at home. We would like your child to consolidate their learning of Phase 3 sounds and words. We have listed some websites for your child to explore to help their identification, blending, segmenting of different sounds and words in this phase.

We are aware that these references are computer based but most of these we use in school too so your children can identify with them. Please feel free to use these as an additional resource to their home schooling.

Please let us know if you feel you would like any more support with this area of their learning.

**May Phonics Activity Calendar** – this is a power point with a quick daily activity for your child to do.

**Level 3 Phonics Matching Bingo game** – look at the picture and find the correct word from the grid to label it using the bingo dabber – great fun!

**Level 3 Phonics Game Show** – look at the picture and find the correct sound to match from the given 3. The sounds could be anywhere in the word.

Follow the links – go to whiteboard resources – then literacy (on the bar on the left) – then foundation- then letters and sounds

**Sky Writer** – a great way to form letters. Copy the plane to write the letters of the alphabet correctly.

**Fishing Bowl** – A fishing game where you have to sort the letters, b, p and d into the correct bowls. We still get confused with this!

There also stories and songs to listen to which your child may also enjoy.

This website is currently free – Username: march20 Password:home

**Phase 3 - Picnic on Pluto/Buried Treasure/Dragon's Den** – can you read the word? Is it real or fake? Place the word in the correct place.

**Phase 3 - Make a Match** – can you match the picture to the correct word?

**Phase 3 - Tricky Word Trucks** – a tricky word flashcard game.

The children love to watch Alphablocks on Cbeebies, which is a great way to learn their letter sounds.

***We hope you find some of these activities helpful to support your child with their phonics. 😊***
