Curriculum Overview for Term 4

On our return to school, we will be having a well-being and collaborative learning focus. The aim of this is to ensure that the children feel safe and happy in school. Mrs Jeffrey has planned circle time sessions and class discussions that will explore friendships and emotions, Mrs Ballard will deliver team building activities during PE sessions and class teachers will deliver other curriculum areas using collaborative learning tasks to encourage positive interaction and teamwork. We have also planned enrichment activities including an art competition and a Cricket Day.

We are really looking forward to welcoming the children back into school on Monday 8th March.

Kind regards,

MR MENDUM
