

### Celebration Assembly

Well done to all the children for another great week in school. They have all worked hard and had an amazing week!

### This week our certificates go to...

**Improve** – Alfie Plumley for great cutting skills this week

**Excel** – Noah Ward for excellent contributions when talking about time

### Our busy learning this week:

- Early morning task – letter formation
- Phonics – ure, er and phonic assessments
- Maths – identifying 1 less up to 10 then 20  
- sequencing different times of the day
- Book Hook – learning about the roles of different people who help us, thinking about what the children would like to be when they grow up
- Blowing and chasing bubbles on the school field
- Music session with Mrs Miller
- PSED - Circle Time – friendships and resilience  
- Elida's story
- Prayer Space activities – reflecting on how we felt during lockdown
- RE – signs of new life: daffodil paintings

### THIS WEEK

### Wellbeing Circle Times

This week we have been learning about resilience and relationships. The children have learnt that being resilient is very important as it helps us to have positive friendships. If we have a falling out with a friend, we can sort it out and move on with the friendship. This makes us feel better and our friendships becomes stronger.

### PE

The children engaged in some team building skills this week as well as learning to travel on their hands and feet. They also practised rolling a ball and developing their balancing skills. They are enjoying their multi skills after school club. Please sign up if you would like your child to attend.

### Comic Relief

The children took part in some physical 'keepy uppy' challenges. They tried really hard, even when finding things difficult!

We also talked about a child called Elida who has benefitted from Comic Relief fundraising. Her story made us think about people, who need help and people who help us.

In the afternoon we made superhero masks that made us feel super!

Thank you for all your donations.

### Helping at Home

Please ensure your child's reading record and reading books are in school on Mondays and Thursdays so we can change them.

This week was our last week of Phase 3 phonics. Over the next couple of weeks, we will be assessing the children on all the different sounds. The children will have a new Phase 3 phonics book with all of the new sounds in by the end of the term.
