#### **Forest Church**

Rev Kim came to visit us again this week and the children enjoyed making bird pizzas. They mixed lots of bird seeds, flour and water together to make tasty food for the birds.

#### **Book Hook**

This week the children made a large boat using cardboard boxes. They used a variety of materials to decorate the boat ready to sail around the classroom.

### **Upcoming Dates**

Next week is Diversity week

Next week during circle time we will be discussing times or situations in the past that have made them feel wobbly or uncertain and focusing on how we can adapt and cope with unexpected changes. We will be thinking about how having special comfort toys such as a teddy or a blanket makes us feel better when we are worried.

**Please can the children bring in their comfort toy on Tuesday to talk about with their friends.**
