THIS WEEK OUR CERTIFICATES GO TO...

Respect
Tobias P Showing great respect to his environment during the walk.

Improve
Megan H Improving her phonics knowledge .

Learning Skills
Active Annie For reaching his goals in all areas of his learning .
Jaiden M

THIS WEEK

World Nursery Rhyme Week

The children have enjoyed lots of rhyming activities this week and have learnt some new nursery rhymes too. The children enjoyed learning about different types of boats, making treasure maps, making handprint fish for their fish tanks and looking at a real life aquarium. They also learnt about the life cycle of a frog, made a tent to look up at the stars and learnt about different breeds of dogs.

Anti—Bully Week

The children started off the week by wearing odd socks and learning about how it is ok to be different. They designed their own odd socks for a class display. The children also thought about who they would reach out to if they were worried or felt they were being bullied. They then drew a picture of their special people.

OUR BUSY LEARNING THIS WEEK

- Reception and Pre-school phonics— World Nursery Rhyme Week
- Reception maths— learning 1:1 correspondence when counting, making sets of 5 objects, using a die frame to represent 5
- Pre-school maths— Show 'finger numbers' up to 5, link numerals and amounts: for example, showing the right number of objects to match the numeral, up to 5.
- Library time
- Anti-bullying week— We have created poster for our classroom with different ideas of 'Reaching out' for help to celebrate the Anti— bullying week.
- PE—Walk to the field, exploring our surroundings.
- Children In Need Day
- Some of our Busy Bee learning — mobilo, duplo, dinosaur's, little people, mini beasts, train track and cars, scissor control, pencil control.
