THIS WEEK

Autumn walk

On Monday the children enjoyed a walk around Kempsford to look for signs of autumn. We walked all the way to the church and found a variety of different sized, coloured and shaped leaves. They also found sycamore seeds and acorns along the way. The children loved looking for conkers outside the church and loved popping them out of their spikey husks. It was a lovely sunny day for our walk and the children loved taking their treasures home.

Stay and Play

The children enjoyed having parent visitors in this week to share their books and classroom with them. They enjoyed building marble runs, dulp models and playing in the sand. Thank you for coming to visit us and we hoped you enjoyed seeing what your child has been learning this term.

End of term 1

Well done to all the children for a fantastic first term in Pre-school and Reception. They have worked so hard and have settled in to school life really well. It has been lovely to see their growth and development this term and we are looking forward to another fun filled term in term 2. Have a lovely half term and we will see you back in school on Tuesday 1st November.

An autumn walk around Kempford.
