THIS WEEK

Forest Church with Rev Kim

This week the children learnt all about the importance of feeding birds in the winter. They looked at different species of birds and Rev Kim taught them their names. They also looked at different feathers from birds and discussed their colours and shapes. The children then made some bird pizza food by mixing seeds, raisins, flour and water together. Then then left the mixture outside on the pizza boards in the back garden for the birds to eat.

Book Hook

Our new story is called 'Sparks in the Sky' the children enjoyed splatter painting on black paper, making rockets using junk modelling and 2D and 3D shapes, watching firework displays and talking about safety on firework/bonfire nights.
