

Care and compassion

The Pride Class Term 1 2022

Autumn Term 2022

Key Areas of Learning

As **Geographers** we will be exploring and finding out information about Kempston using many different sources and find and compare differences between the past and now.

As literacy experts we will be working on diary entries and recount pieces.

As **Scientists** we will be looking at life cycles in the topic 'plants and living things around us' We hope to have a visit from someone who works within the veterinary industry after Christmas

In **PSHE** some students will be working on road safety skills by completing the bike ability course.

ENGLISH

In Literacy, we will be writing using famous diary writers to dissect their work and write out our own diary entries. We will learn about prioritising key features and improving our content working towards a golden write.

MATHEMATICS

In Maths lessons we will be focusing on the following areas:
Year 5 – Decimals
Year 6 – Multiplication and division
Each year group will also be practicing and revisiting skills they learned last year to help build their recall and fluency.

RE

In RE we will be exploring the question 'Why do Hindus want to be good?'
Our value that we will be exploring this term is care and compassion.

PSHE

We will be focusing on developing our friendships, learning about identifying healthy and unhealthy friendships. We will also be looking at respecting ourselves and others in our lives.

PE

In PE our topic will be gymnastics. In this topic we will be learning different ways to both move and control our bodies.

SCIENCE

In Science we will be looking at life cycles and the impact of ecosystems on planet.

MUSIC

All the learning is focused around the genre of rap which we will both slow down and speed up to match tempos along with linking this to our PE topic of body movement.

MFL

In MFL (French) we will be looking at money and numbers in French.

Learning skills

As inquisitive, team-working pupils we will:

Learn how we can work effectively in a team and understand how we can use talk positively to help everyone engage in their learning. We will grow confidence in asking questions about our learning to help us achieve the best that we can.

Cultural Capital

To develop our cultural awareness we will:

We will attend a Harvest Service at the Church and spend time thinking about how we can be thankful for what we have and also help others who may be in need.

Values and SMSC

To develop our spiritual, moral, social and cultural awareness as pupils we will:

Learn about the value of respect and reflect on ways that we can show it to one another. We will spend time learning about and reflecting on our class Golden Rules and think of ways that we can help each other to achieve them.

Community

As members of our school community we will:

Consider whether we would like to be a part of the School Council and think about ideas which could help improve our class and the wider school. We will work together to help us earn marbles to put in our marble jar and work towards a class treat.
