

Fortnightly News from the Classroom

Together, we will RISE

COVID

We are seeing a rise in COVID cases within the school community. Please be mindful, if your child displays any symptoms over the weekend and if possible, test for COVID.

KALEIDOSCOPE

This week the children have been very thoughtful as we have started to learn about our value of Forgiveness. They enjoyed creating 'forgiveness hands' writing ideas on each finger of ways that we can forgive someone and why it's important to forgive in the palm of the hand. The children have also enjoyed starting our book hook 'Amelia Earhart, little people, big dreams' and to start our new transport based topic designed some fantastic modes of transport, which they have described in their Literacy this week.

THE POD

This week it's been fantastic welcoming back very excited children! The Pod have really enjoyed reading and answering questions about the first chapter of our book hook Billionaire boy. We have been finishing off our Andy Warhol art pieces from last term, celebrating World Book Day and making a start to our new Science topic which the children have done a fantastic job of understanding some tricky scientific vocabulary. It has been a great start to the term!

THE PRIDE

We are really excited this term but it will also be a very busy one where in week five we will be going to Boreatton Park for the residential trip. Our class book hook this term is 'Holes' and we have started to look through the text and use literacy skills to disseminate key information (Our main genres are poetry and stories) In science we will be looking at light and shadows which we will do over in the ark and in history we will be delving into the Mayan civilisation from AD 900. Our strike learning skill is 'Karly Can Do' and the termly value is forgives. We understand there may be some questions around PGL so please feel free to talk to a member of staff or email the school office who will be happy to help.

The Hive

Together, we will RISE

R.I.S.E.

We will celebrate the children's successes each Friday afternoon within our R.I.S.E. assembly, starting on Friday 10th March 2023.

THIS TERM'S VALUE

Forgiveness

PE

We are delighted to have received a new set of Football Kit at school which has been sponsored by J R Building & Decorating. We are so excited to wear the kit in our next fixtures and are extremely thankful to the parents of a Class 3 child for their generous gift to us.
