Together, we will RISE

Well done to all the children who earned a RISE sticker this week.

We will announce the winners next week...

THIS WEEK

Value—Forgiveness

The children talked about forgiveness and what our new values means. We read the story of 'The Tiger Who Came to Tea' and talked about how the family had forgiven the Tiger by buying him some food for his next visit. The children talked about when they had forgiven someone and when they were forgiven by someone else. We also listed ways to show forgiveness.

World Book Day

The children had a great morning making their own class story with illustrations to share with the rest of the school during our World Book Day assembly. They also made their own bookmarks to use at home and enjoyed swapping a book with a friend.
