Dear Parents/Guardians,

Happy New Year! I hope that you have all had a fantastic Christmas break. It has been so wonderful to welcome a class of excited children this week!

This term our learning will be based on our book hook, The Last Castaways. Attached is a topic web which provides insight into what the children will be learning in each subject this term.

We are very excited to be going on a class trip to the Corinium Museum on the 26th January, if you are interested in supporting the trip as a **parent helper** please do let either myself or the office know as soon as possible.

Reminders:

Reading Records

The children have made a fantastic efforts with their reading this school year and I have been thrilled to begin giving out 30, 60 and 90 reads certificates! Please do keep recording the reads throughout the week as we can only give out reading certificates when we can physically see 30, 60 or 90 reads have been recorded. Please do keep on reminding children to bring in their reading records each week, as we can't give out certificates unless we see the reading record books.

P.E.

P.E will be taught every week on a **Tuesday**. Please can you ensure that **your child arrives at school already dressed in their PE kit**. They will remain in this for the day and not need to change, Below is the required PE kit:

- **White T-shirt and school jumper**
- **Black shorts or dark joggers**
- **Black trainers.**

Homework

Homework will continue to be **set online weekly every Friday and is due to be completed by the following Friday**. Thank you for your ongoing support and engagement with this so far this year, it is really starting to make such a positive impact on the children's learning! If it is not possible for your child to complete these homework activities online, paper copies can be made available on request. Below is a reminder of what is set:

Literacy

This homework is via the website *spellingshed* weekly containing the 10 spellings consolidating what they have learnt in the week for them to practice the spelling rule online and I would also like them to write out the spellings 5 times during the week.

Maths

Children will be allocated activities on MyMaths that consolidate the learning they have been doing. MyMaths club is continuing to take place after school on a Wednesday until 4.15pm where children can come and complete their activities, please do take advantage of this opportunity if helpful.

Snack and allergies

Just a quick reminder to please check labels of food items very carefully to make sure that snacks brought into school **do not contain nuts**. Thank you for your ongoing support with this so far.

Kind Regards,

Mrs Hindle-Cooper
