

# Perseverance

The Pride Class Term 3 2023

## Key Areas of Learning

We will be looking at history and evaluation skills using the artefacts from the Greek period. This will form the basis for some of the literacy work that we will be completing in class around fact files and stories.

Student will be focusing some of their efforts on comprehension and this is supported by the work in guided reading and with Mrs Dearsley.

As part of the week we will be running a number of interventions to support every child's learning and these currently are:

ELSA, Emotion coaching, Shine, Nessy, IDL, Forest Green Rovers literacy program

### ENGLISH

In English, we will be using artefacts from Ancient Greece to help us build fact files and research information. We will also be work on vocabulary and comprehension during our guided reading when reading the class book.

### MATHEMATICS

In Mathematics we will be looking at properties of numbers and geometry specifically around angles. We will also be focused on learning numbers facts and being able to recall these.

### RE

Mrs Dearsley will be working with the class on a Monday on RE topics such as creation which also links to science topics.

### PSHE

In PSHE we will be working on respecting ourselves and other and recognising prejudice and discrimination

### PE

Develop consistency in playing shots with racket and ball. Play forehand/backhand shots. Understand basic principles of attack in a net game. Explain how to improve performance.

### DT

During our DT lessons we will be designing, resourcing and producing textiles projects following on from our Resistant materials project in Term 1

### MUSIC

The class will be working with Mrs Clarke on the song 'Feel my love' by Adele.

### MFL

Understand and respond to some spoken and written instructions in French. Understand, say and write numbers in multiples of 10 up to 100 in French. Count in multiples of 10 up to 100 in French.

### Learning skills

**As inquisitive, team-working pupils we will:**

Learn how we can work effectively in a team and understand how we can use talk positively to help everyone engage in their learning. We will grow confidence in asking questions about our learning to help us achieve the best that we can.

### Cultural Capital

**To develop our cultural awareness we will:**

We will attend a Harvest Service at the Church and spend time thinking about how we can be thankful for what we have and also help others who may be in need.

### Values and SMSC

**To develop our spiritual, moral, social and cultural awareness as pupils we will:**

Learn about the value of respect and reflect on ways that we can show it to one another. We will spend time learning about and reflecting on our class Golden Rules and think of ways that we can help each other to achieve them.

### Community

**As members of our school community we will:**

Consider whether we would like to be a part of the School Council and think about ideas which could help improve our class and the wider school. We will work together to help us earn marbles to put in our marble jar and work towards a class treat.
