#### THIS WEEK

#### Book Hook—30 Days Wild

The children enjoyed making their own nature sculptures last week from natural materials found in our back garden. They joined their materials together using string, tape and pipe cleaners. We then hung them on the apple tree to make our own sculpture tree. This week we learnt about different minibeasts and made our own mini ponds to encourage pond life to visit our school. We also iced biscuits to make yummy ladybird treats. The Pre-school children also made pressed flowers and mini trees.

#### Samba

The children are continuing to enjoy their samba sessions and are looking forward to showing you their talents during their last session. More details to follow soon.

#### **OUR BUSY LEARNING THIS WEEK**

- Reception Phonics—drawing and labelling minibeasts and wildlife, answering questions about minibeasts, labelling the life cycle of a butterfly
