

Robin Class - Pick and Mix Homework - Term 5

In the below table, there are lots of different homework activities to choose from. You can choose to do whichever you like each week, however by the end of the half term, we would like you to have earned 10 stars. When you have completed a homework task, put a cross through the box and colour in the number of stars you achieved. If you manage to earn more than 10 stars over the half term, you will earn a certificate.

Feel free to get creative and make something that isn't listed below but linked to this terms learning.
