

Kempsford Church of England Primary School

“Together, we will RISE”

Dear Parents/Guardians

13th April 2026

We hope you are all well and had a lovely Easter holiday. We are looking forward to a busy and exciting fourth term with your children. Below is some useful information for Term 5.

Term 5 learning

Attached is a topic web which provides insight into what the children will be learning in each subject, this term. We also have some additional national and school events coming up. National events include; World Art Day, Outdoor Classroom Day and Earth Day. We look forward to sharing these exciting days with you.

Value – Care and Compassion

This term, our value is ‘Perseverance’.

This means never giving up, even when things get tough or challenging. It is the choice to keep trying, working, and practicing toward a goal, rather than quitting when faced with mistakes or difficulties. It’s about having the "grit" to push through, like finishing a puzzle or learning a new skill.

Books

Reading books – please bring in **daily**

Y1 phonic books – **Mondays**

Library books – **Fridays**

Homework – please bring in **every Thursday** - returned to children on **Fridays**

Homework

Please ensure all homework files are in school **every Thursday**, even if homework has not been completed. Certificates are awarded for pick and mix homework and class Dojo points. Please send any homework photos or videos via Dojo.

Reading - everyday

We have community readers in on **Mondays, Tuesdays** and **Thursdays** and our new initiative is to try and listen to your child read every day. Please ensure your child has their reading book in school each day to help maximise their reading potential.

Pick and Mix

The children will receive a new pick and mix homework, and the aim is to gain at least 10 stars by the end of the term. Once they have completed 10 stars the children are awarded a certificate.

P.E.

P.E will be taught every week on a Wednesday morning by Mrs Ballard. Please ensure that your child arrives at school already dressed in their PE kit. If our PE day needs to change, we will send out a ping as soon as possible.

Belongings

Please can you ensure your child’s uniform is named especially school jumpers! Children are encouraged to bring in either a book bag or backpack daily, and if needed with a spare set of clothes.

Snack and allergies

Please ensure your child has a healthy snack or two in school **every day** for morning break time as well as a **water bottle**. Free fruit will be provided for afternoon snack. Please continue to check labels of food items very carefully to make sure that snacks brought into school do not contain nuts and are healthy.

Wish list

We will be constructing during our DT topic this term using junk modelling. If you have any small cardboard boxes, toilet rolls or kitchen roll tubes, please bring them to class as soon as possible. We will be making chairs for our bears at the end of the term.

Thank you in advance.

If you do have any queries or concerns, then please do feel free come and see us.

Kind Regards,

Miss Heavisides and Mrs Miller
