How children learn

Three characteristics of effective teaching and learning:

- **playing and exploring** - children investigate and experience things, and 'have a go'
- **active learning** - children concentrate and keep on trying if they encounter difficulties, and enjoy achievements
- **creating and thinking critically** - children have and develop their own ideas, make links between ideas, and develop strategies for doing things

NEWSLETTER 10

5th June 2026

VALUE OF THE TERM – FRIENDSHIP

"Two people are better off than one, for they can help each other succeed."
The Bible, Ecclesiastes 4:9-12

Dear Parents and Friends of the school,

Miss Hedges
I'm sure you will want to congratulate Miss Hedges with me in her success securing additional days in the school office. Miss ~~Dowsett~~ (your next Head Teacher) and I conducted a rigorous interview process and paper exercise and the position contested. We hope she'll be very happy carrying the considerable workload that goes with it. Office hours continue to be 8:30 until 3:45, Monday to Friday.

Year 6 Cathedral Leaver's Service & Climbing Trip
Hopefully parents and carers of Year 6 will have received exciting details about June 24th via School Ping. Please ask if you haven't found this yet.

End-of-Year Parental Reports
This year we'll be trying something different. Your child's report will be emailed directly to you (although a security question will appear to provide some safeguards). This will significantly reduce the time spent compiling all the different aspects of the report AND reduce our negative impact on the environment with printing and paper costs. We therefore need you to inform us of any changes in your email addresses. Thank you.

Thank you!
Various parents have donated 2 sofas and beanbags to our new library space – it's looking great! Thank you.

Website updates
Work continues, with more to come! New and updated pages include:

- Early Help – info for Parents
- Safeguarding
- Key Information
- Hive pages
- Admissions

Parent Survey 2026
The Governors would very much appreciate your considered response to the annual Parent Survey, which you can find using this link – <https://forms.cloud.microsoft/Forms/ResponsePage.aspx?id=ncetop7340qbBzCeEBM2NcXEAY8R4OJMKXV#q=PLKWIUMEGQUDkzSslCVk42LVhKWZTWkY3N1NCV44y> It takes just 2 minutes (11 questions) and will be of immense value to our incoming Head Teacher, Miss ~~Dowsett~~. Governors will consider your responses in July. It would be FANTASTIC to receive a return rate greater than 25% which has occurred historically - so please encourage your friends!

THINK. It is ILLEGAL TO PARK on zig zag lines outside a school. Potentially, it endangers all our children.
